## Education

---

**Tufts University** Medford, MA  
Bachelor of Science, Data Science and Quantitative Economics Expected May 2027

- Relevant Coursework: Finance, Algorithms, Data Structures, Linear Algebra, Calculus III, Database Systems, Quantitative Economics
- Honors: AP Scholar with Distinction; Gold Presidential Award for 120+ hours of community service

## Experience

---

**JPMorgan Chase & Co.** Sep 2025 – Nov 2025  
*CareerED.YOU Fellow* Remote

- Selected for a competitive fellowship focused on investment banking, markets, risk management, and corporate finance led by senior JPMorgan analysts and associates.
- Applied equity research, valuation, and comparable company analysis frameworks across live workshops on capital markets, credit risk, and M&A structuring.

**Tufts University – JumboCode** Sep 2025 – May 2026  
*Software Developer* Medford, MA

- Engineered a TypeScript + MapLibre mapping feature visualizing 100+ Massachusetts school data points, reducing client lookup time from hours to seconds.
- Collaborated on front-end and back-end improvements for a nonprofit case-management platform serving 1,000+ users.

**Tufts University – TEDxTufts** Sep 2025 – Apr 2026  
*Speaker Coach* Medford, MA

- Coached 10+ speakers on narrative structure, pacing, and audience engagement for a TEDx event attended by 200+ guests.

**Tufts University – Office of Campus Life** Apr 2026 – Present  
*Political Engagement Pre-Orientation Coordinator* Medford, MA

- Recruited and trained 19 facilitators to lead a civic engagement program for 60+ incoming first-year students.

## Projects & Research

---

**Independent Equity Research** | *Excel, Python, public filings* Spring 2026

- Built a 3-statement model, DCF valuation, and comparable company analysis on CAVA Group; pitched a \$105 price target supported by margin expansion and 4x unit growth potential.
- Conducted event-study analysis on earnings announcements across 20+ S&P 500 companies using Python and statistical significance testing.

**Trading Pitch – Tufts Trading Club** | *Excel, Bloomberg* Spring 2026

- Pitched a long Starbucks trade ahead of Q2 FY2026 earnings with an \$82 entry and \$98 price target using Bloomberg and channel-check research.
- Grounded the thesis in first-hand observation of campus store closures as part of CEO Brian Niccol's portfolio rationalization strategy.

## Leadership & Activities

---

**Tufts University Bhangra Team** May 2026 – Present  
*Team Manager* Medford, MA

- Manage a \$10K+ annual budget and 8-person eboard for a competitive collegiate dance team; coordinate 3 competitions and 7+ external performances per season.

**Tufts Association of South Asians** Sep 2025 – Present  
*Events Coordinator* Medford, MA

- Plan and execute 12+ cultural and social events for 300+ members, partnering with peer universities and on-campus organizations.
